

CAYMAN RESIDENT

PRINT MEDIA PACK

The success of the *Cayman Resident* magazine, the eBook version and corresponding website can be attributed to the fact that they are the most comprehensive guides for living and working in the Cayman Islands. The glossy, 400+ page 'reference style' magazine is crammed full of vital information and has grown in its support from advertisers and increased its content every year for the last eighteen years. Meanwhile the website continues to grow at an astonishing rate, receiving on average over 40,000 unique visitors per month.

For advertisers, the *Cayman Resident* guide and website are structured so that your products and services are showcased within editorial content that is targeted at your readership. The guide has a proven record of helping clients acquire new customers and create brand awareness with existing residents in Cayman, as well as new residents before they even arrive on the Island.

SIX REASONS TO ADVERTISE

REAL BUSINESS BENEFITS

Ask to see the testimonials of other readers and customers to appreciate the effectiveness of the guide. Because advertising in the *Cayman Resident* really works, the number of businesses renewing their advertising has grown every year for eighteen years.

PRE-EMPTIVE MARKETING

The *Cayman Resident* is the most effective advertising medium for exposing potential customers to your brands as they arrive in Cayman (or even before they arrive), which means you are ahead of your competition when it comes to acquiring new customers.

TRUST

Associating your business with the *Cayman Resident*, which for eighteen years has developed a reputation for trust and independence, will increase your brand image and ultimately lead to more business.

TARGETED ADVERTISING

Your advert is displayed alongside information directly relating to your business, thus ensuring that potential customers are exposed to your products and services at exactly the right time. The *Cayman Resident* targets the profitable new and existing resident market using a focused distribution strategy.

MAXIMUM EXPOSURE

The 'reference guide' format means that the *Cayman Resident* has a long shelf life and therefore exposes readers to your services on a regular basis for a minimum of 12 months. Print and web listings further ensure even more exposure for your business.

GREAT INTERNET PRESENCE

As a print advertiser you get a significantly discounted online profile, preferential online ranking, and discounted online banner advertising opportunities which will drive more online referrals.

"There is no doubt that we have got **more business referrals** from our advertising in the *Cayman Resident* than any other form of advertising."

Linda Chapman-Keys, General Manager
Cayman Insurance Centre

UNPARALLELED Distribution

"I recommend that everyone keeps a copy of the **Cayman Resident** close by, as it is the most comprehensive guide for living and working in the Cayman Islands."

His Excellency Martyn Roper, Governor of the Cayman Islands

The **Cayman Resident** is distributed for free to over 350 locations in Cayman, ensuring that existing residents pick up a copy as soon as it is available, and we hand deliver the magazine to all managing directors and heads of human resources in every major business and government department in Cayman. Listed here are some of the organisations that have used the magazine internally or who send it out to new-hires, investors, permanent employees, temporary or contract workers, tourists, students and retirees.
